Dear praying friends in Europe!

What holds Europe together? What are the deepest convictions of the Europeans? What are the specific values of the European culture compared with China, India or Africa? The answer is evident: There is no city, town or village where there is no church or chapel built out of the Christian faith of their citizens. – Since secularism has clouded this fundamental fact more and more it’s time for the believers to claim and proclaim the Kingdom of God over the continent again and again. That is what Nick Pease intends with his/with God’s project.

“O come, let us worship and bow down... for HE is our God and we are the people of His pasture.” (Psalm 95:6.7) And we believe: Europe shall be saved!

Europe Ring of Worship 7th – 9th July 2017

A worship and prayer event to ring the boundaries of Europe with worship and prophetic prayer!

Many teams, all worshipping and praying at the same time, all of them at different places around the boundaries of the continent of Europe. We will do this for three days. This way we can surround Europe with worship and prayer and say, “This is our continent and we want to give it to God!” With the character of Europe being changed by humanism and atheism, and growing minorities from other religions, it is time for the European church to say that this is God’s continent and we want him to bless it!

In 2014 I prayed at the west coast of Ireland and at the Europe/Asia border near Yekaterinburg in Russia. In both places there was a theme of a wedding and I felt God’s presence very powerfully. He said to me through Isaiah 54:5-8 that he wants to woo Europe tenderly and call back his European bride:

“For your Maker is your husband – the Lord Almighty is his name...

The Lord will call you back as if you were a wife deserted and distressed in spirit – a wife who married young, only to be rejected, ...

For a brief moment I abandoned you, but with deep compassion I will bring you back.”

So I have put together his project to have worshipping and praying teams on the boundaries of Europe at the same time. With many teams spread around the edge of Europe we can put our arms around our continent and claim it for Jesus our Maker and our Bridegroom!

Please also pray for

- Netherlands, where Marc Rutte failed to form a coalition out of 4 parties. What is God’s will now?
- “Europe shall be saved”: a continuation of the prayer move for Europe.

Where will the teams be?

North Cape, North of Norway	Iceland
West of Ireland	West of Portugal
South of Spain / Gibraltar	Sicily, South of Italy
Crete	Cyprus
Istanbul	Georgia & Armenia
Caucasus mountains in Russia	Yekaterinburg in the Ural Mountains in Russia

We will also have a small team in Germany to act as a central communication point.

See the website for more information, and for the list of verses and pictures that God has given us for the event. www.europeringofworship.eu

Please pray:

- For the completion of the teams – many are already formed, but some still need more people. Pray that God calls the right people to each team.
- For God’s purpose to be completely fulfilled in this prayer initiative, for protection from all opposition, and for something to happen that really changes Europe!
- Mark the dates in your diary, **7-9th July 2017**, and pray with us at home. The programme for the prayer will be on the website so you can join with us at the same time.

It is now less than two months away so we would really appreciate your prayers, so that everything happens as God wants and it can be as powerful as possible.
